

DTM-Fragebogen von

Paul D. Resta

1. The DTM is for me ...

Very competitive racing. It's my job, hobby and sport. I'm a proud member of the series and enjoy the way it works.

2. If I were not a DTM-Driver, I would ...

I have no idea, racing is my life and passion. Lot's of hard work from myself and family to get where I got to.

3. The biggest moment of horror I had ...

Being DTM champion 2010.

4. If I'll be DTM-Champ 2014, I will ...

A good year, satisfied with all efforts and hard work that goes into a season. That's the goal.

5. On my opponents, I appreciate ... *and respect who they are.*
Good fair racing.

6. After my racing-career, I could imagine to ...

*Enjoy more food, Be involved in the sport
that I have fallen for and use my experience.*

7. In my very first race, I ...

*20 years ago this month, April 17th 1994,
track called Crow Scotland. Was the
beginning of me to get me here today.*

8. In my leisure time I like most ...

*Spent time at home with family and friends.
Doing sport for training and enjoyment.*

9. My biggest stupidity was ...

10. In my family I am well known for ...

being the sensible one, very driven by what I do.
The sensible one.

11. I'm not at all able to ...

play football, never was any good or interested in playing.

12. The biggest respect I have for ...

Are people that ~~fail~~ succeed to rise to the top of what they do and never give up through hard work.

13. Would you tell us something about you, that nearly nobody knows?

~~Some~~ Somethings are better kept quiet!
